

PART LIST

FIBER STICKS X 4

SHOES X 4

TUNNEL X 1

ASSEMBLY INSTRUCTION URBAN DRILL TUNNEL

STEP 1

Remove all the components from the bag and confirm you have all parts from the parts list.

STEP 2

Join the fiber sticks as shown in picture.

STEP 3

Insert both sets of fiber sticks into the two black sleeves and insert fiber sticks in the tunnel hole to create the frame.

STEP 4

When using the tunnel with Soccer Skill trainer remove the fiber sticks from the tunnel & attach the arches to the frame using velcro attachment.
